

***A small investment in you. A big impact for you,
your team and patient care***

**Kent and Medway
Cancer Alliance**

PAUSE. REFLECT. GROW.

**Turning national priorities into local action through ACCEND,
education, workforce development and strategic investment in
people**

The approach:

Recruited volunteers for one-to-one coaching through a Macmillan Education grant-funded course, supporting ACCEND engagement and reflective practice via the Greater Manchester ePortfolio.

The offer:

- One-to-one GROW coaching
- Protected time to reflect
- Confidential, safe support
- Clarity through coaching

The impact:

"I recognised my strengths and now lead with greater confidence."

"Coaching helped me navigate workplace challenges with confidence and compassion."

"I gained clarity, direction and achievable next steps for my career."
